**Preventing and Responding
to Suicide Terrorism in the
United States**

December 6-7, 2005

College Station, Texas

Training Presented by

Mr. Tal Hanan

International counter-terrorism expert specializing in prevention and response to suicide bombings.

Former Israeli Special Forces Explosive Ordinance Unit Deputy Commander

Has presented to the Secret Service, DHS, and many other federal, state, and local agencies.

Mr. Hanan's Presentation will...

- Provide you with "know how" about the typology, methods, motivation, preparation, bombs, and techniques used by suicide bombers
- Teach you to detect suicide terrorists and develop effective protective policies
- Give you considerable details about actual incidents that have occurred in Israel and elsewhere
