

# Brazos County Health Department

A City-County Public Health District

## News Release

January 6, 2010

For Immediate Release

### New Location for H1N1 Flu Vaccine Clinic

The H1N1 flu vaccine clinic scheduled for Thursday, January 7, 2010 from 2:30-7:00 pm will now be held at 1651 Rock Prairie Road in College Station, directly across the street from The Med's Emergency Room. Vaccines will be administered in the auditorium on the second floor. The clinic has been moved to a larger venue in order to accommodate more clients.

Anyone 6 months old and older is eligible to receive the vaccine. The Brazos County Health Department continues to encourage all individuals, including the high risk priority groups, to get vaccinated. Because flu season continues through the spring, it is not too late to be vaccinated for H1N1 flu.

For more information call 979-361-4440 or visit [www.brazoshealth.org](http://www.brazoshealth.org).
