

# Brazos County Health Department

A City-County Public Health District

## News Release

March 8, 2010

For Immediate Release

### West Nile Virus Meeting Scheduled

The Brazos County Health Department (BCHD) will be hosting a 2010 West Nile Virus control strategy meeting on Friday, March 12, 2010 at 2:00 p.m. at the Brazos County Health Department.

Invited guests include Dr. Jim Olson, retired TAMU Mosquito Research Lab director, and mosquito control supervisors from the cities of Bryan and College Station and from Texas A&M University.

Mr. Don Plitt, BCHD Environmental Health Services Director, will be conducting the meeting. Brazos County's testing results for the 2009 West Nile Virus season will be reported and the county's control strategy for 2010 will be discussed.
